WIZARD & GENIUS ART PRINT COLLECTION SUPPLEMENT 2008

Whilst every possible care has been taken, there may be variations in colour between reproductions in the catalogue and the final product. Wherever possible, images are shown the way they appear in the largest available format. Because formats vary in proportion, certain elements (eg. borders and typography) in smaller sizes might differ to those shown. For design purposes the relative sizes as shown in the catalogue are not in proportion to each other.

Cover reproduction from 09822 Flying Colours I by Hansjörg Furrer.
